Infosys Limited

Please review the [2017 20-F of Infosys Limited](https://www.infosys.com/investors/reports-filings/annual-report/form20f/Documents/form20F-2017.pdf) (<https://www.infosys.com/investors/reports-filings/annual-report/form20f/Documents/form20F-2017.pdf>).

In the discussion section that follows, I would be interested in your answer to the following questions:

- What does Infosys do?
- Is it good?
- Assuming that Infosys has a per American Depository Share share price of \$15 and an enterprise value of \$29,300,000,000, is it inexpensive?

Thank you
